

WANTED

PAST AND CURRENT

MEMBERS OF THE PENDLETON AREA SADDLE CLUB

To join us on Friday, July 31, at Collins Town in Central for PASC's 20th Anniversary Celebration! Please come prepared to tell some of your favorite stories about your experiences as a PASC member.

The time to be there is 7:00 p.m. The cost is normally \$15 per person; however, the PASC Officers have voted to let the Club pay one-half of the expense. Collins Town has a reputation for serving really good food, so this will be a great chance for you to enjoy a tasty meal at a reasonable cost.

So that we will have enough food for everyone, please RSVP by contacting Debbie Nelms at either dnelms@tctc.edu or (864) 261-8258. If you don't make that contact by July 17, there may not be enough food for you, and if you respond positively, please be sure to come. We will have to pay for the number we call in.

To get to Collins Town, take Hwy. 93 out of Central headed toward Southern Wesleyan University. Take a left off of Hwy. 93 before you get to the Rabbit Box Feed Store, and cross over the old, wooden bridge. Take an immediate right onto a gravel road, and Collins Town is on this road.

We hope to see you there!
